

The 2020 Partners organization encourages Minnesota United FC to explore the Farmers Market site for a soccer stadium as the potential anchor for development of a multi-use complex, retaining as a key element the Farmers Market with improved facilities, and maximizing the development opportunity from the existing and planned transit improvements.

Respectfully,

2020 Partners Steering Committee and Members

*This statement was unanimously affirmed by the membership of
2020 Partners at its September 24, 2013 meeting.*
